Notes to Amended ☐ October Quarterly Report 07/01/07-09/30/2007, Year End Report 10/01/07-12/31/07, February Monthly Report 01/01/08-01/31/08 ☐☐☐☐ Reference FEC letters Dated April 4, 2008. Please find below the Campaigns Policies and Procedures as it relates to best effort. 1. The campaign's original solicitation includes a clear and conspicuous request for the contributor information and informs the contributor of the requirement of federal law for the reporting of such information. In addition to other required compliance information, the following best effort wording is used on all solicitations. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions aggregate in excess of \$200 in an election cycle. 2. If the information is not provided, regardless of whether the contribution was solicited or not, a minimum of one follow-up, stand alone effort to obtain the information is made. The effort occurs no later than 30 days after the receipt of the contribution and is requested via mail, email, or telephone and is documented in writing. The request clearly asks for the missing information, without soliciting a contribution. The contributor is informed of the requirements of federal law for the reporting of such information. In written requests, a pre-addressed post card or return envelope is provided. Wording used in all information requests follows. We apologize for the inconvenience, but the strict regulations of the Federal Election Commission require the campaign to request for the record your employer and occupation information. Please provide the requested information below and return it in the enclosed pre-stamped envelope. As an alternative, you could fax it to the Campaign at 619-463-2970 or phone the information to the Campaign at 619-463-3896. Employer _____ Occupation _____ We sincerely appreciate your assistance in helping us comply with the FEC requirements. As a follow up request, the Campaign regularly sends out additional requests for the information. In mid September the Campaign had 182 contributors that had not provided the requested information cycle to date. The Committee sent out 182 letters requesting the information using the above language. In addition 49 of the 182 also received an email. The response to the follow up requests, in some cases the third or fourth request, was 68. This equates to a response rate of 37 percent. If contribution information is received after the contribution information has been reported, an amended memo schedule listing the contributions or an amended report originally disclosing the contribution is filed. The FEC Letters caused additional letters, calls and emails to go out.
